

Come back (light therapy)

Josh Rouse (2003)

1. E- B- A-
I've been waiting for the longest time
Maybe if the sun would shine
I want you to come back
It' d bring my happy back
- E- B- A-
In the dark so tired of waking up and its dark
So tired of being stuck on my own here
- C7M
Norway is cold dear
- E- B- A-
Here comes june the sun is gonna shine in june
The doctor says I'll feel better soon
- C7M A7
Fills my vitamin D pills
He hands me the big bill
- Ref E- B- A-
Cause I've been waiting for the longest time
Maybe if the sun would shine
I want you to come back
You'd bring my happy back
- C7M B- A-
I'm gonna stay on this mountain high
Til you come running back
- E- B- A-
Don't leave me hangin' out on that line
I want you to come back
- A7
I want you to come back
- C B- A-
I miss my serotonin
Language is so foreign
And my days are goin nowhere fast
And I can never understand
- A7 A-
Understand
- Come back.....
2. Cause I've been waiting for the longest time
Maybe if the sun would shine
I'm gonna stay on this mountain high
Don't leave me hanging out on that line
I want you to come back
I want you to come back
- I want you to come back
You'd bring my happy back
Til you come running back
I want you to come back
- I want you to come back
Yeah
