### 1.

G E-  
I heard there was a secret chord

G E-  
That David played and it pleased the lord

C D G  
But you don't really care for music, do you ?

D

G C D  
Well it goes like this the fourth, the fifth

E- C  
The minor fall and the major lift

D B7 E-  
The baffled king composing hallelujah

6/8

C E- C G D G  
Hallelujah, hallelujah, hallelujah, hallelujah ....

### 2.

Well your faith was strong but you needed proof  
Her beauty and the moonlight overthrew you  
She tied you to her kitchen chair  
And from your lips she drew the hallelujah

You saw her bathing on the roof

She broke your throne and she cut your hair

Hallelujah, hallelujah, hallelujah, hallelujah .... .

### 3.

Baby I've been here before  
I used to live alone before I knew you  
I've seen your flag on the marble arch  
It's a cold and it's a broken hallelujah

I've seen this room and I've walked this floor

But love is not a victory march

Hallelujah, hallelujah, hallelujah, hallelujah ....

### 4.

Well there was a time when you let me know  
But now you never show that to me do you  
But remember when I moved in you  
And every breath we drew was hallelujah

What's really going on below

And the holy dove was moving too

### 5.

Well, maybe there's a god above  
Was how to shoot somebody who outdrew you  
It's not a cry that you hear at night  
It's a cold and it's a broken hallelujah

But all I've ever learned from love

It's not somebody who's seen the light

Hallelujah, hallelujah, hallelujah, hallelujah ....
